Invite: Year 12 Supporting Student Success

Dear Parent/Carer

I hope this message finds you well.

We are delighted to invite you to our upcoming **Year 12 “Supporting Success” Evening**, taking place on **Thursday 21 May**. This event has been designed to support both students and parents as we approach this critical point in the Year 12 journey.

As students prepare for their mock examinations, this evening will provide valuable guidance, practical strategies, and expert advice to help them approach this important period with confidence and success.

Our aim is to ensure that every student feels well-prepared, supported, and motivated to achieve their very best.

In addition to guidance on mocks, we will also share important information about the **Summer Term**, including:

- Mock examinations and preparation
- Results and next steps
- Parents’ Evening
- Work experience opportunities
- Progression into Year 13
- Planning for Post-18 pathways

A number of key members of staff will be presenting during the evening, offering their expertise and insight into how students can make the most of the opportunities ahead.
