

# COVID-19 Testing Privacy Statement

Tupton Hall School

February 2021

## **Ownership of the data.**

To enable the Covid-19 testing to be completed at Tupton Hall School, we need to process personal data for staff and pupils taking part, including sharing of personal data where we have a legal obligation. Tupton Hall School is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the school to ensure we meet our public health and safeguarding legal obligations. All data is processed under Section 3 of the Non-Maintained Schools Regulations 1999 for non-maintained schools. Data Controllorship is then passed to the Department for Health and Social Care (DHSC) at the point that we transfer data to them.

## **Personal Data involved in the process.**

- Name
- Date of birth (and year group)
- Unique barcode assigned to each individual test and which will become the primary reference number for the tests
- Test result
- Parent/guardians contact details

We will only use information will is collected directly from you specifically for the purpose of the tests, even if you have previously provided us with this information.

The information will only be stored securely on local spreadsheets in school until it is securely shared with DHSC.

## **Processing of Personal Data Relating to Positive test results**

The member of staff, pupil or parent (depending on contact details provided) will be information of the result by the school and advised how to book a confirmatory test.

The school will use this information to enact their own COVID isolation processes without telling anyone who it is that has received the negative test.

The information will be transferred to DHSC, who will share with NHS. PHE and the Local Government who will use the information for wider test and trace activities as well as statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school for up to 14 days and by the NHS for 8 years.

## **Processing of Personal Data Relating to Negative test results**

The school will record a negative result and the information will be transferred to DHSC, NHS, PHE and the Local Government who will use the information for statistical and research purposes.

This information is processed and shared under obligations set out in Public Health legislation under Regulations 3(1) and (4) of the Health Service (Control of Patient Information) Regulations 2002 (COPI) which allows the sharing of data for COVID related purposes.

This information will be kept by the school for up to 14 days and by the NHS for 8 years.

## **Data Sharing Partners**

The personal data associated with test results will be shared with DHSC, NHS, PHE and local government to ensure they take the necessary actions they need to complete under their legal obligations.
