

December 2021

Charity Fundraising

Dear Parents and Carers

On **Monday 20th December**, Tupton Hall School will be hosting a whole school event to raise money for the Save the Children charity as well as Ashgate Hospice.

The theme of the day is to 'wear a woolly' which can be an accessory or festive jumper. We suggest a charitable donation of £1.00 per student for taking part in the event.

If students are struggling for ideas of what to wear please see suggestions below.

- A pair of woolly socks
- A woolly scarf
- A woolly Christmas jumper
- A festive item such as a Santa/Elf hat
- A woollen/festive badge

This is not a non-uniform day, therefore students **are expected to wear their normal school uniform alongside the woolly item**. Students should bring bags, books, PE kit etc. and equipment for normal lessons. Festive jumpers can then worn for the rest of the week alongside their normal school uniform. House representatives will be organising other fundraising activities throughout the day.

We look forward to your support with this.
