Dear Parent/Carer

**Life Skill & Wellbeing Information Evening Monday 23 May 5.30 pm**

You are invited to an information evening in school where we will be discussing our programme of Life Skills and Wellbeing, previously known as PSHE.

We consider the delivery of Life Skills and Wellbeing to be an integral part of learning for all our students and within Life Skills and Wellbeing we cover a number of topics from careers, to relationships and sexual health education.

The overall aim of Relationships and Sexual Education is to give young people the information they need to help them develop healthy, nurturing relationships of all kinds and not just be informed about intimate relationships. We try to teach acceptable and unacceptable behaviour, in all types of friendships and relationships, as well as what makes a good friend, a good colleague and a successful marriage or other type of committed relationship.

Our curriculum also covers areas that encourages students to manage emotions and relationships confidently and sensitively whilst developing self-respect and empathy for others. Students are taught to make choices based on an understanding of difference, with an absence of prejudice and learning how to recognise and avoid exploitation and abuse. It also provides opportunities to develop communication skills and assertiveness within a range of different situations.

We would very much value your input towards our policy on Life Skills, the curriculum we currently deliver and how we can improve it for future years. This is to meet the needs of students in our area, community and support them with their futures.

If you would like to attend the evening, please either complete the return slip below, or contact reception via email: [reception@tuptonhall.org.uk](mailto:reception@tuptonhall.org.uk)

We look forward to seeing you at this event.

Kind Regards

Mrs R Holland  
Assistant Headteacher

Mrs S Elliott
