## Covid-19 Vaccination for Young People Age 12 -15

Dear Parents/Carers

I hope you are well. Please find below a letter we have received from Derbyshire Community Health Services.

As you will read in the letter, for the vaccination to be given, parental consent is required.

Following national guidance we will be offering the Covid-19 vaccination to young people age 12 – 15 and will be continuing to use the e-consent as with other vaccine programmes. The flu vaccination is a separate form so please ensure you complete both consent forms if you wish your child to be vaccinated.

**Children must be 12 on the day of vaccination. Please only complete the consent form if your child will be aged 12-15 on the day of vaccination.**

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Covid> to complete the consent form.

Your unique school code for **Tupton Hall School** is **DD146099**

**Please be aware that due to storage requirements of the vaccine, the team will need to know the number of vaccines needed in advance and therefore the consent system will close 24 hours prior to the session in school.**

**The date for Covid-19 vaccination will be finalised very shortly, however to avoid issues with the supply of the vaccine please complete consent form online by the end of Wednesday 29 September 2021.**

For more information about the vaccination please visit [COVID-19 Vaccination - A guide for children and young people](#)

If you experience any problems completing the consent form or would like further information please call the School Age Immunisation Team as below.

**Repton Health Centre:** 01283 707178  
**Clay Cross Hospital:** 01246 252953

Kind regards

Mr Andrew J Knowles  
Headteacher
