**Thursday 16 September 2021 6.00 p.m. – 8.00 p.m.**

Dear Parent / Carer,

Thank you for showing an interest in what our school has to offer prospective students, families and members of our community. As a good starting point, this prospectus will provide you with an insight into Tupton Hall School, its core purpose, values and opportunities that it offers our local children, families and communities.

The choice of a secondary school is an important one for you and your child. As parents we want our children to be safe, healthy, happy, and achieve throughout their secondary school years. With this in mind, the staff and governors are committed to delivering a standard of education that rivals the very best, and give you our assurance that we will strive each day to be the best we can be.

We are part of The Redhill Academy Trust, the highest performing Trust in the East Midlands. This partnership ensures that we are challenged to be at our best, prepared for change and can learn together in order to meet your expectations.

Our highly skilled and well qualified teachers and support staff work together with students and parents to create a formidable team with one common goal - the best possible success for every child. At Tupton Hall School students and staff benefit from first rate facilities, ensuring that learning is engaging. ICT provision throughout the school is excellent and together with a broad and balanced curriculum offer, teaching and learning is innovative and compelling for all.

We are very ambitious for all students to achieve their academic potential and expect our students to work hard and play hard. We value and invest heavily in supporting their personal development and help them learn about the broader aspects of life. There is an extensive range of sporting, musical, creative and theatrical opportunities on offer for students, together with many other clubs and activities to extend learning outside of the classroom.

I am delighted to invite you to our Open Evening on Thursday 16 September 6.00 pm - 8.00 pm. where you will have the opportunity to visit facilities and speak with staff and students.
