# School dress code

## All students must have:

- A black blazer with school badge.
- A navy blue school jumper with Tupton Hall logo may be worn with the blazer, but this is optional. Please enquire in school if you wish to purchase one.
- A formal, white, button to the collar shirt with long or short sleeves. To be worn tucked in.
- A school tie (new design).
- Formal tailored plain black trousers with a crease down the front, which must be of a polyester / viscose material. Stretchy, Lycra, jeggings, leggings or skinny fitting trousers are not acceptable at Tupton Hall. Details on trousers such as zips, metal studs and buckles are not allowed.
- Or a black skirt, with a front pleat or box pleat, **of knee length or just above the knee** (not stretchy or Lycra). The school reserves the right to decide upon suitability.
- Plain black coloured shoes of a formal style with flat heels. Must have black soles, black laces, no logos or emblems and must be polishable. No footwear to be higher than the ankle. No Ugg style boots, trainers or canvas shoes (e.g. Converse, Vans, Nike, regardless of material).
- The school will have a supply of appropriate shoes and clothes for students to wear who aren't complying with this dress code.
- The only item allowed in addition to the school blazer is an outdoor coat - no denim, sports jackets or hoodies allowed on the school site.

- School blazers and appropriate trousers and skirts can be bought via the school website at: [www.tuptonhall.org.uk/uniform](http://www.tuptonhall.org.uk/uniform)
- Trousers and skirts which meet the above criteria can be bought elsewhere, with shops like Tesco, Asda, Matalan, Sainsbury's and M&S all stocking items which meet our dress code.
- Please be aware that not all items sold in the 'Back to School' sections in shops meet these requirements. Care should be taken when uniform items are bought, that they do meet the school's expectations.

# School dress code

## Whilst at school:

- Students must wear their blazer at all times on the school site, and on their journey to and from school. The only exceptions are:
  - When in a lesson the blazer can be removed and placed on the back of a chair.
  - When actively involved in an organised ball game at the back of school. However, the blazer must be worn upon entering the school building.
- Students must wear their tie at all times on the school site.
- If an outdoor coat is worn in addition to the blazer, this must be removed between 8.30am and 3pm when in the school building.
- Hats must not be worn anywhere inside the school building.

## Other dress code rules:

- No jewellery is to be worn apart from one pair of stud earrings (no stretchers, spikes or tunnel type earrings) and a watch. Body piercing, including nose studs or any other facial piercing is forbidden unless a clear plastic retainer is worn. All piercings must be removed for PE.
- Natural, minimal make-up and nail varnish are allowed. Excessive make-up and dark / bright coloured nail varnish is not acceptable. Long artificial nails are not practical or appropriate for school. Nail art is not appropriate and students wearing these will be asked to remove or paint over them.
- Hair must be a natural colour. Extreme styles, such as a Mohican, are not acceptable. Please consult the Head of House for clarification.
- Only school-issued badges should be worn on the blazer.

# Trouser & skirt examples

Examples of **correct** trousers / skirt at Tupton Hall School:

- Formal tailored plain black school trousers with a crease down the front which must be of a polyester / viscose material. Should be in a traditional style and not tight fitting.
