## Introduction

It is the responsibility of the head of centre to ensure that Tupton Hall School has a written conflicts of interest policy for inspection that must be reviewed and updated annually. This policy confirms that Tupton Hall School:

Manages conflicts of interest **by informing the awarding bodies**, before the published deadline for entries for each examination series, of:

- any members of centre staff who are taking qualifications at their own centre which include internally assessed components/units
- any members of centre staff who are teaching and preparing members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) for qualifications which include internally assessed components/units, **and**

**maintains internal records** of all instances where:

- exams office staff have members of their family (which includes step-family, foster family and similar close relationships) or close friends and their immediate family (e.g. son/daughter) being entered for examinations and assessments either at the centre itself or other centres
- centre staff are taking qualifications at their own centre which **do not** include internally assessed components/units
- centre staff are taking qualifications at other centres (GR 5.3)

## Purpose of the policy

The purpose of this policy is to confirm how Tupton Hall School manages conflicts of interest under normal delivery arrangements in accordance with the regulations.

## General principles

A process is in place to Collect information from staff that know candidates that are sitting exams from All Centre Staff to Identify and manage

## Declaration process

Centre staff are informed that it is their responsibility to inform, via email, the exams officer in September of the relevant academic year if they have a conflict of interest. Declarations must be received no later than the 31 October.

## Managing conflicts of interest

A record is kept, by the exams office, of any potential conflict declared by centre staff and the relevant awarding bodies are informed before the published deadline for entries for each examination series. Staff will not be responsible for sole marking of candidates work with whom they have a conflict of interest; work will be marked by another member of the faculty wherever possible.

No member of staff will be entered for examinations through their own school, they will be entered via one of the other Trust schools.
