Purpose of the policy

The purpose of this policy is to confirm the arrangements for candidates who are absent from an examination at Tupton Hall School.

An absent candidate may subsequently arrive once the exam is underway, becoming a late or very late arrival, at which point Tupton Hall School reserves the right to exercise discretion whether to allow a candidate who arrives after the start of the examination to enter the examination room and sit the examination. (See **Candidate Late Arrival Policy**)

Based upon the circumstances for the absence, and subject to the required conditions being met, an application for special consideration may also be made to the relevant awarding body.

1. Identifying and dealing with candidate absence

A candidate will be considered absent from an examination if:

- In relation to ICE 22.5 candidates that are absent will be identified when the students register in the Richard Smith Hall. Once absent candidates have been identified, SLT will ask the attendance team to make phone calls to those students' parents. With the support of the Exams Officer

If needed the attendance team will go and collect these students.

Once a candidate is identified as absent from an examination, the following action will be taken:

- The candidate will be contacted as to their whereabouts and as far as possible arrangements made to ensure their immediate arrival

If a candidate fails to sit an examination, the following action is taken:

- A confirmed candidate absence is clearly recorded on the attendance register which is sent to the awarding body/examiner
- The candidate absence is noted on the seating plan by crossing through the candidate details
