## Physical Education A Level PE

### Log of Competitive Participation

Learners complete logs of competitive participation in their activities/sports to show their frequency and level of participation. These may be called upon as supporting evidence, for example a poor performance at moderation or to support a special consideration application for injury.

You only need to log actual competition performance and not all of the training sessions.

You may log competition from within your PE lessons where the competition played meets the rules of assessment e.g. a full 11 a side game of football, full size court games and appropriate points scoring for racket sports
