

TUPTON HALL SCHOOL

PARENTS' WEEKLY

CAREERS FAIR GETS THE JOB DONE

At Tupton Hall School, the support we offer our pupils extends way beyond the classroom. We support the entire child, focusing not only on the 'now', but also students' long term goals.

The Careers Fair is designed to open doors for students in Years 9-13, whether that's deciding which specific career branch students want to explore or finding a solid place to start. The Fair was attended by apprenticeship providers, our careers advisor, colleges, universities, and local businesses.

Students can access career-related advice by requesting an appointment with our careers advisor, David Holloway, through student services. Careers 'Drop in' sessions are on Wednesday Lunchtimes in the library.

SIXTH FORM OPEN EVENING 2021

On 3rd November, 2021, Tupton Hall welcomed prospective Sixth Form Students to the premises for our Sixth Form Open Evening.

The event ran from 5:50pm to 8:00pm, and after bouts of intermittent lockdown restrictions, the prospect of inviting people into our halls created a real buzz.

Visitors were welcomed into the heart of the school, the Richard Smith Hall, to one of our talented students' piano playing. Head of Post-16, Charlotte Burton, then provided informative and inspiring talks, detailing the excellent facilities, fantastic staff,

and the support that the Sixth Form offers its students, both academically and personally.

After the tours, visitors were given the opportunity to tour the school with one of our exceptional Sixth Form student helpers. There was a variety of displays to visit, with one for each of our 30+ subjects.

The tour gave prospective students the chance to ask questions to their would-be subject teachers, discuss where different subjects aligned with their future goals, and get a general feel for the Sixth Form community.

HOUSE REPRESENTATIVES
 2021 - 2022

THE LEADERS OF TOMORROW

Students at Tupton Hall School have recently had the opportunity to apply for different roles within school.

The vacancies vary, ranging from House Captains and Vice Captains, to Event and Charity Leaders. Successful applicants were invited for a celebratory breakfast in the Richard Smith Hall, where their commitment and dedication to the school and their houses were commemorated.

The breakfast was followed by the students' having their photographs taken to document their success and promote their

positive attitudes to the rest of the cohort.

For many students, applying for the role of house representative is a step closer to their future; a way of gaining important leadership skills, increasing confidence and building communication with classmates and members of staff. Not only will the job roles add content and experience to college or apprenticeship applications, they are also intended to give the students a sense of responsibility, respect and increase altruistic values as they work to resolve issues and represent others.

Tupton Hall School is exceptionally proud of 2021-2022's House Representatives, and commends them all on their continued hard work and commitment to making the world a better place.
