**Dear Parents and Carers**

### **Year 13 'Moving On Day' – Nottingham Trent University Clifton Campus**

We are pleased to inform you that all Year 13 students across the Redhill Academy Trust will be attending our annual 'Moving On Day' at the Nottingham Trent University (NTU) Clifton Campus on Wednesday 9 September.

This exciting event brings together all 670 Year 13 students from across the Trust in one location. It is delivered in partnership with Nottingham Trent University and Leducate, a legal education charity, and is designed to support students as they prepare for life beyond school.

Throughout the day, students will take part in a series of informative and engaging sessions covering key aspects of adult life, including:

- Lifetime finances
- Personal health
- Consumer and tenant rights

These sessions will be led by a range of expert external speakers and held in lecture theatres within a compact area of the university campus. Students will be provided with maps, and NTU student ambassadors will be on hand to offer guidance. Students must wear their school lanyards at all times for identification.

#### **Travel and Timings**

Students from Tupton Hall School will travel to the venue by coach. This visit forms a key part of the Year 13 curriculum careers and life skills curriculum

**To ensure timely arrival for registration, students must be at school and ready to depart by 8.20/8.25am. We expect to leave NTU at 3.00pm, with an estimated return to school by 4.30pm, depending on traffic.**

#### **Lunch Arrangements**

Students are encouraged to bring a packed lunch, which they will be allowed to eat in a lecture theatre.

This is a fantastic opportunity for students to connect with peers across the Trust, engage with higher education, and gain valuable knowledge and skills for their future.

**Please access your parent pay to provide consent and medical information for the trip: this trip is free to allow all students the opportunity to attend**

**Please note, the new academic year for the Year 13 cohort begins on Tuesday 8 September.**

Kind regards

**Mrs Charlotte Burton**
