End of Year Message to Students

16 July 2026

Dear Students,

As we come to the end of another fantastic year at Tupton Hall, I want to say a huge thank you for all your hard work, commitment and positivity.

You have achieved so much this year, whether in lessons, sport, the creative arts, school trips, fundraising activities or by supporting one another every day. The staff are incredibly proud of the way you represent our school and the kindness, resilience and determination you show. Sports day was a great example of this in action.

Many of our greatest successes are the small things that happen every day: trying your best, helping others, improving, and never giving up when things are challenging. These qualities are what make Tupton Hall such a special community.

You know we set very high standards of uniform and behaviour expectations. This is because we care, and know it is the best way to help you all achieve your best. Thank you for following the rules and routines in school as they are there to support you all. Do the same next year and aim to achieve an attendance of 96% or above. Meet these simple expectations each day and you will make great progress and achieve success.

School closes at 12.30 p.m. on Thursday 23 July which is our final opportunity to raise funds for Ashgate Hospice through donating for wear non-uniform.

Please thank the staff next week, and show your appreciation of them. They are here for you.

I hope you all have a safe, relaxing and enjoyable summer break. We all look forward to welcoming our new Year 7 and Year 12 students back on **Monday 7 September**, and all other students on **Tuesday 8 September 2026**.

Have a wonderful summer!

Mr Knowles
