Purpose of the procedures

The purpose of these procedures is to confirm how Tupton Hall School deals with candidates' requests for access to scripts, clerical re-checks, reviews of marking, reviews of moderation and appeals to the awarding bodies in compliance with JCQ regulations (GR 5.13).

Dealing with requests

- All post-results service requests from internal candidates must be made through the centre (GR 5.13)

At Tupton Hall School the process to request a service is:

- To request a review of marking - candidates need to make sure they have signed the remark request document which they sign when the check in on results day.

Review of Marking request should only come from the following staff members-

Sixth Form- C.Burton

GCSE- S.Roberts / J.Lammin

When school returns in September Review of Marking requests will be accepted from HOF

Review of marking request won't be accepted if they are sent by any other staff member.

If a review of marking is requested this needs to be sent in via the excel document. No remark requests will be accepted by email.

Remarks will only be considered if students are within 1 mark of the next grade boundary.

If any student requests a review of marking that is greater than 1 mark from the next grade boundary- then payment will be required prior to the review of results being submitted. For A-Level priority review of marking- Cash should be brought (correct amount)

Candidate consent

- Candidates must provide their **written consent** for clerical re-checks, reviews of marking, and any subsequent appeal, and access to scripts services offered by the awarding bodies **after** the publication of examination results (GR 5.13)

(As applicable, it will be ensured that any private candidates are made aware that all post-results service requests can be made directly through the relevant awarding body)

Tupton Hall School will:

- Acquire written candidate consent (accepting informed consent via candidate email) in all cases **before** a request for a clerical re-check, a review of marking, and any subsequent appeal, or an access to scripts service request is submitted to the awarding body
- Acquire informed candidate consent to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded
- Only collect candidate consent **after** the publication of results
- Retain consent forms or e-mails from candidates for at least six months following the outcome of a clerical re-check or review of marking or any subsequent appeal (PRS 4.2)
- Retain consent/permission forms or e-mails from candidates to request and use their scripts for at least six months (PRS Appendix B)

Additional centre-specific actions:

Candidates will sign a consent form on collection of results.

If HOF would like a review of marking to take place (GCSE), HOF will fill out spreadsheet that is sent to them on results day.

The Exams Officer will then contact parents to gain consent for any review of marking to take place. This is so that there is no confusion and the exams officer has a record of when parents were called and permission granted.

A-Level students will be able to consent themselves.- this can be done on results day or email received and forwarded to the exams officer.

Submitting requests

Tupton Hall School will:

- Submit requests electronically for clerical re-checks, reviews of marking, reviews of moderation and access to scripts by the published deadline(s) in accordance with the JCQ document **Post-results services** (GR 5.13)
- Submit requests for appeals in accordance with the JCQ document **A guide to the awarding organisations' appeals processes** (GR 5.13)
- Confirm the awarding body's acknowledgement of receipt of a review of results request prior to the deadline for submission of post-results services and regularly check the progress of the request online (PRS 4.5)
